

Summary - Nothing, nada. No thoughts, no visions,
no impressions except maybe next time.

Are you sure there's something in it?

Happy Valentine's Day!

12 Feb 87
I sensed I was outside. I had a jump feeling. I kept sensing something was hot like fire.

I kept hearing different men's voices. I was outside and I could feel fierce wind blowing.

I kept smelling something - like dirt, damp dirt.
